## Amendments to the Specification:

Please replace the paragraph [0213] beginning at page 34, line 1, with the following rewritten paragraph:

--Although specific embodiments of the invention have been described and illustrated, the invention is not to be limited to the specific forms or arrangements of parts so described and illustrated.

As an example, the invention may be used to clean and/or grow an oxide layer on an object other than a semiconductor wafer. In addition, the desired reaction may be a reaction other than oxidation using a gas other than ozone. The scope of the invention is to be defined by the claims appended hereto and their equivalents-
